2023 NYS Regional MWBE Opportunities Expo Series

Connections to Contracts: Building Meaningful Relationships for Business Success

The **New York State Minority and Women-owned Business Enterprise (MWBE) Regional Opportunities Expo Series** brings together various New York State Agencies and Authorities and prime contractors that have a significant presence in all 10 NYS regions to provide MWBE firms with information on contracting opportunities.

This year's theme is **Connections to Contracts: Building Meaningful Relationships for Business Success**.

MWBEs will be able network with state procurement officers, MWBE liaisons and private companies, listen in on panels and presentations on contracting opportunities and participate in capacity building workshops.

Below are highlights of a few of the offerings you can expect at the expos:

- Description:
- **Local Project Presentations** by NYS Agencies and Authorities and Prime Contractors including grantees. You will learn more about the project scope of work and how your business can express interest.
 - **Networking** with multiple by NYS Agencies and Authorities and companies/organizations. Your business can make real-time connections, share details about your services/goods and ask questions.
 - **Workshops** covering topics including access to capital and financing for your business.
